are doing well and it is hoped they will
be able to resume their respective duties

THE RESIGNATION of Mr. Conant from
the police force leaves a vacancy which
must be filled at the next meeting of the
council. Dan Fitzgerald, a man who
worked for Bearwalt, Orth & Co., are
applicants for the appointment. Conant
was a good officer, and we hope one less
efficient will not be allowed to step into
his vacant shoes.

WE HAVE every reason to believe that
the Cairo and St. Louis railroad, be-
tween Murphy'sboro and this city will be
completed within ninety days, but we
may be mistaken between the cup and the
lip often occur. The directors of the
road, at the meeting at East St. Louis, last
Tuesday, took important action looking
to this much wished-for consummation.

yesterday were: Wm. Petty, Mississippi

Harrison, C. and V. railroad; Billy

having been exhausted. The appropri-

for repairs upon the walks to be made
during this fiscal year, but it was expended
in paying for walks repaired and con-
structed before the commencement of the
fiscal year.

THE REV. Mr. Steeper is as busy as the
busy bee at the work of crushing our
colored Baptist ministers. Having dis-
posed of Rev. Mr. Shores, he is now crush-

process cannot be successful in his
case. He is putting on his armor and gitting
ready for the fight, and he declares that
this traducer of his good name shall suffer
for his slanders.
